MR. T. P. RAMASUBBA AIYAR (*Secretary to Government*): Steady action is being taken in the matter. The opening and widening of the Kaniyantodu was taken up by the Public Works Department and an estimate for Rs. 4,000 has been sanctioned. There is a provision for Rs. 1,000 in this year's budget and another provision for Rs. 1,500 for two other works, namely, the Vallayiltodu and the Nilamantodu. Steady steps are thus being taken in the matter.

MR. A. J. JOHN (*Vaikam*): May I know whether the Kaniyantodu is properly constructed?

MR. T. P. RAMASUBBA AIYAR (*Secretary to Government*): I am unable to answer that question.

MR. A. J. JOHN (*Vaikam*): May I know whether the Kaniyantodu, as it is being constructed, will allow the drainage water to flow through it?

MR. T. P. RAMASUBBA AIYAR (*Secretary to Government*): Those are all matters of detail which I will not be able to answer.

MR. A. J. JOHN (*Vaikam*): May I know whether the action of the Government in widening the Kaniyantodu will improve the drainage system in the Vaikam taluk?

MR. T. P. RAMASUBBA AIYAR (*Secretary to Government*): Yes, to some extent.
